## MESSAGE

I am pleased to learn that Messe Frankfurt Group is launching the PCIM Asia New Delhi Conference scheduled for 9-10 December 2025 at Dr. Ambedkar International Centre, Delhi to serve as a vital platform for industry and academia experts to showcase and discuss the latest cutting-edge research and innovations in the Power Electronics and its Applications.

Power electronics plays a crucial role in driving electrification and energy efficiency, serving as the backbone of India's rapidly evolving infrastructure across renewable power, power grids, electric mobility, railways, and data centers. I am confident that the PCIM Asia New Delhi Conference will further accelerate advancements in this domain, strengthening the broader electronics ecosystem.

I appreciate Messe Frankfurt India for bringing the brightest innovators and entrepreneurs on common platform to share their ideas, innovations and solutions in power electronics and its applications.

I extend my best wishes for the success of the event and look forward to its positive impact on all stakeholders.
