09:30 – 11:05	Conference Hall 1	Plenary Inaugural Session - Ceremonial Lamp Lighting & Inauguration - Welcome Note & Partner Keynotes - Chief Guest Inaugural Address & Technical Keynote
11:05 – 11:35	Exhibition Hall	Networking Tea/Coffee Break Exhibition Visit
11:35 – 13:15	Conference Hall 1	Session 1: Advanced Power Semiconductor Devices, Materials & Manufacturing Technologies
11:35 – 13:15	Conference Hall 2	Session 2: Renewable Energy Integration, Energy Storage & Smart Grid Intelligence
13:15 – 14:45	Poster Zone / Exhibition	Networking Lunch Exhibition Visit Poster Dialogue Session
14:45 – 16:05	Conference Hall 1	Session 3: Design & Control of Power Converters
14:45 – 16:05	Conference Hall 2	Session 4: Thermal Management, Packaging, Interconnection & Reliability
16:05 – 17:45	Conference Hall 1	Session 5: Advanced Converter Technologies: Low-Power, High-Power & High-Frequency Applications (Includes Session Opening Keynote)
16:05 – 17:45	Conference Hall 2	Session 6: Artificial Intelligence, Data Centres & Intelligent Energy Systems
17:45 – 18:00	Exhibition Hall	Evening Networking Tea/Coffee & Refreshments
Friday, 11 December 2026		
09:00 – 10:00	Registration Area	Morning Tea/Coffee & Refreshments
10:00 – 10:40	Conference Hall 1	Technical Keynote E-Mobility – State of the Art to Future Leading Edge Technologies
10:40 – 11:40	Conference Hall 1	Panel Discussion Innovation in Motor Drives and Control – Paving the Path for Self-Reliance in Intelligent Motion
10:40 – 11:40	Conference Hall 2	Session 7: Gate Drivers, Switching Control & Converter Modelling
11:40 – 12:00	Exhibition Hall	Networking Tea/Coffee Break Exhibition Visit
12:00 – 13:00	Conference Hall 1	Session 8: Magnetics, Passive Components & Electromagnetic Design
12:00 – 13:00	Conference Hall 2	Session 9: EMI/EMC, Power Quality & Grid Compliance
13:00 – 14:30	Poster Zone / Exhibition	Networking Lunch Exhibition Visit Poster Dialogue Session
14:30 – 16:10	Conference Hall 1	Session 10: Electric Drives, Motion Control & Industrial Automation, E-Mobility
14:30 – 16:10	Conference Hall 2	Session 11: Reliability, Lifetime Prediction & Power Electronics System Robustness
16:10 – 17:00	Conference Hall 1	Session 12: Sensors, Transducers & Intelligent Monitoring
17:00 – 17:30	Conference Hall 1	Valedictory Session & Awards Ceremony Presentation of Best Technical Paper, Best Technical Poster & Young Researcher Awards
17:30 – 17:45	Exhibition Hall	Evening Networking Tea/Coffee & Refreshments
